## Opis produktu

### Citroen Type H VAN Ebbro 25007

Discover the Classic on your Desk: Plastic Model of Citroen Type H VAN for Modeling from Ebbro

Enjoy the pleasure of building a classic car from a legendary period of automotive history - Citroen Type H VAN. This excellent model kit from Ebbro (catalog number 25007) is a faithful replica of the legendary French van that provides a unique experience for every modeler.

Fidelity in Details:
Ebbro is known for its attention to detail, and this model is no exception. Every element is reproduced with precision, from the characteristic bodywork to internal details and the engine. You will easily travel back in time to the era when the Citroen Type H VAN was an inseparable element of the street landscape.

Convenience of installation:
Thanks to the precise molding of plastic elements and clear instructions, assembling this model becomes a pleasure even for beginner modellers. Each step is clearly explained and the pieces fit together perfectly, making building this car not only a challenge, but also a rewarding experience.

Personalization options:
Don't limit yourself to just the standard look! This Citroen Type H VAN model is customizable, so you can add your own details, change the paint job or add accessories to create a unique version of this classic vehicle.

Perfect Gift:
Are you looking for the perfect gift for a modeling enthusiast or motoring enthusiast? This plastic model of Citroen Type H VAN will be a great choice. Give your loved one hours of pleasure spent gluing and decorating this legendary car.

Start your journey through automotive history today with the Citroen Type H VAN from Ebbro!
